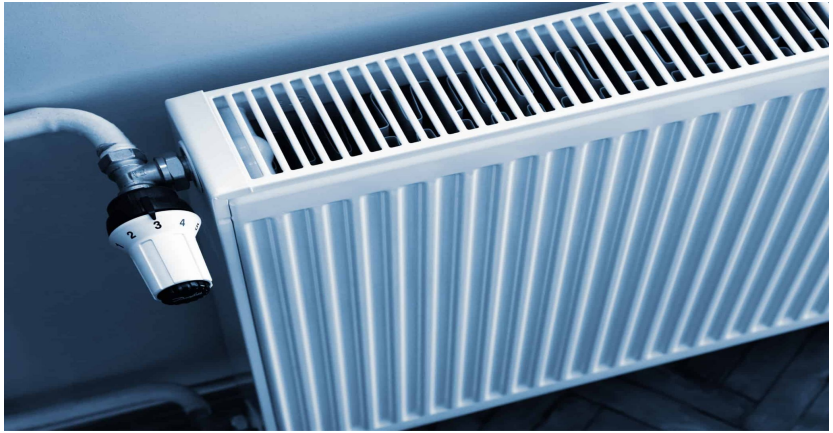
Objective 3 : Finding solutions to reduce polluted air in cities



Objective 3 : Finding solutions to reduce polluted air in cities

Activity 3.1 Propose technical solutions to reduce air pollution in cities

Ne pas utiliser le centrale thermique, ça pollue plus l'air.

Do not use the thermal power station, it pollutes the air more.

Utilisez les éoliennes et les panneaux solaires car ça pollue pas l'air.

Use wind turbines and solar panels because it does not pollute the air.

Activity 3.2 Propose behavioral solutions to reduce air pollution in citie

Je dois pas brûler des ordures dans la nature.

I must not burn garbage in nature.

Je dois trier mes déchets.

I have to sort my waste.
